

### **Note on Dakranala pump Canal Scheme, Phase-I, Bihar**

Revised project estimate of Dakranala was received in central water commission in July, 2013 with estimated cost Rs. 447.15 Cr. Observations on Irrigation Planning, Cost and other general aspect were sent to Project Authorities during Sept, 2013 to July, 2014. Compliance on any of above aspect was not submitted by the project authority. According to CWC guidelines, if no compliance is obtained after one of issue of observations, the project is returned to Project Authorities. Hence this project was returned back on 12.12.2014 and is no more pending with CWC. Govt. of Bihar/Project Authority was requested that the project may be resubmitted after incorporating the compliance to the pending observations and the process of appraisal of such project shall be treated as "Fresh" and no fresh proposal of Revised Cost Estimate (RCE) of Dakranalla Pump Canal Project, Phase-1 has been resubmitted by the project authority till date.
