PREFACE

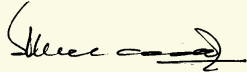

I am happy to present the Civil List of the Central Water Engineering Service (CWES) Group 'A' for the year 2018. The Civil list provides the details of the number of posts in operation at different levels and details about the officers in CWES Group 'A'. Their engagements varies from policy & planning, basin studies, hydrological observations, Design, construction etc.

The total sanctioned strength of CWES Group 'A' officers as on 01.01.2018 is 734 whereas the sanctioned strength as on 01.01.2017 was 729. This increase is due to creation of 5 more posts of STS level in MoWR, RD& GR and National Water Informatics Centre, which is newly created sub-ordinate office of MoWR, RD& GR. The total in-position officers against the sanctioned post of 734 are 515 as on 01.01.2018. The movement of CWES Group 'A' Officers from one place/post to another; induction of direct recruits each year through Engineering Services Examination (ESE) conducted by UPSC; promotion of officers to higher post, superannuation make it essential to routinely update Civil List of CWES Officers published by CWC. Aside from what Civil List contains, CWC maintains officers' career profile and their contributions in water resources sector which can be accessed on CWC website (<http://cwc.gov.in>) under section Employee Corners-->Bio-data Information System.

I appreciate the efforts put in by officers and staff of HRM Unit of CWC in compiling this publication. I hope that the Civil List in future will be published on regular basis. Any suggestions to improve upon its contents and presentation are always welcome.

This Civil List does not confer any right/ official sanction or authority in respect of the particulars given therein including inter-se seniority. Efforts have been made to make the list error-free to the extent possible; however, if there are any errors, the same may kindly be brought to notice.

(S. Masood Husain)
Chairman, CWC
