## Heavy rain continues in Kerala, red alert in 4 districts

Body of missing T.N. fisherman washes ashore

SPECIAL CORRESPONDENT  
KERALA BUREAU

Heavy rain lashed most districts of Kerala on Sunday with the southwest monsoon continuing to be active over Kerala. The central and northern districts can expect widespread rainfall for at least two more days before the fury abates, an IMD forecast indicated.

Since Friday, 260 families have been shifted to 17 relief camps across the State.

Red alerts warning of extremely heavy rainfall have been issued for Kozhikode, Kannur and Wayanad for Monday and Kannur and Kasaragod for Tuesday.

Orange alerts signalling the possibility of very heavy rainfall have been issued for Ernakulam, Idukki, Thrissur, Malappuram and Kasaragod for Monday; Thrissur,

# Crops over 21K acres hit, govt steps up relief ops

**GHAGGAR FURY** Even after five days, only 75 per cent of 100-ft breach plugged

TRIBUNE NEWS SERVICE

SANGRUR, JULY 22

Days after a breach in the Ghaggar flooded many villages in the district, the authorities could only manage to plug three-fourths of the 100 ft breach.

As per the latest report, the overflowing Ghaggar has affected standing crop on 21,775 acres. Of this, crop on 15,569 acres was affected due to the breach in the river in the last five days.

Deputy Commissioner Ghanshyam Thori said, "The lack of required passage till the breach has delayed the operation. The water level in

Flooded areas near Moonak due to overflowing of the Ghaggar.

## CM to conduct aerial survey

Chandigarh: CM Capt Amarinder Singh will on Tuesday conduct an aerial survey of the flood-affected areas of Sangrur and Patiala districts. The CM will fly over the affected areas to assess the extent of damage caused to the standing crops in villages of Moonak tehsil in Sangrur and Badshahpur in Patiala tehsil of Patiala. TNS

the Ghaggar has come down to 745.01 today, while we have plugged around 75-ft breach

with only about 25 ft gap is left to be filled."

The flooding has affected

crops such as paddy, vegetables, cotton, maize and fodder over 7,392 acres in Moonak, 920

Bhunder Bhaini, 567 Surja Bhaini, 1,883 Salegarh and 1,62 Phullad village. Apart from Ghaggar, rain has also affected 6206 acres of standing crops in Lehragaga, Andana, Sunar Dhuri and Sangrur blocks.

Senior officials of the Agriculture Department said after remaining waterlogged for five days, the chances of survival of various crops were dim as even after plugging of the breach, the Drainage Department would not be able to dewater the fields immediately. SGPC chief Gopal Singh Longowal, said, "We have offered land in Dhamta Sahib and Nankiana Sahib to be used to grow paddy saplings for the affected farmers."
