

### **Western Kosi Canal Project**

The project was considered by the then Planning Commission in 1961. Subsequently the cost has been revised several times. The last revised cost estimate for this project was Rs. 1307.21 Cr. at 2007.08 price level. Recently, the State Government is planning to submit the 5<sup>th</sup> revised cost of this project in e-PAMS. The necessary entries in this regard have been done by CWC. State Govt. is to submit the same in e-PAMS.
